WE WILL BE SCHEDULING FIELD TRIPS AS USUAL BUT WILL NOT DISCOUNT FEES IF A GIVEN FIELD TRIP IS UNAVAILABLE DUE TO CURRENT ISSUES WITH COVID-19.**

Weekly fees are due on the Friday PRIOR to the week attending. If a student checks in to camp on a given Monday and the weekly fee has not been paid, the camper will not be allowed to remain at camp till the fee is paid. If payment is not received by Monday morning the week payment is due, you may be notified by posting of names on camp door, group email or text. Weekly fees can be paid in the form of Venmo, check or cash. Venmo is preferred method of payment and provides you with records for your tax purposes. If paying with a check, please include a driver's license number and current phone number. Make the check out to FBC SDC. There is a \$35.00 fee for any check that is returned. If a check is returned, the camper's fee will be required from that point on to be paid by Venmo or cash only. If paying with cash, please put the correct amount in an envelope with the child's name and week paying on the outside of the envelope. Please pay with correct

change only. The camp is not equipped to change big bills. Payments can be put in the "Payment Box/Basket" next to the sign in/out sheet anytime during the week. Cash and check receipts will also be placed in this box/basket for your tax records. Venmo pay will not be paper receipted as you have record of it via the Venmo app. Please do not send the weekly fee with a child and ask them to hand it to a camp employee.

### **Registration Process**

Please fill out the entire registration packet and return it along with your registration fee (please use check only and put in envelope with campers name on front and attach to packet, remember this fee will not be cashed till the first day of camp) to the First Baptist Church of Fairhope church office Monday-Thursday between 9am-4pm. PLEASE PRACTICE SOCIAL DISTANCING WHEN ENTERING CHURCH OFFICE AT THIS TIME. The last day a camper can register for camp is the first day of camp, Tuesday, May 28. When you return the completed packet, your packet will be reviewed and then you will be contacted via email or phone to confirm your spot at First Kids Summer Day Camp. Do not assume your child has a spot until you have been contacted with confirmation. While your child can be confirmed as registered for our camp, we do reserve the right to postpone or cancel summer day camp due to COVID-19 mandates if necessary. It is imperative that you have a reliable email in your child's packet in order for us to update you on necessary decisions.

You may request a SAMPLE calendar from last summer by emailing [fairhopesdc@gmail.com](mailto:fairhopesdc@gmail.com) anytime prior to registering. The trips on this sample are not reserved trips for this summer nor is it guaranteed that the days of the week we do trips will be the same. But this will give you an idea of what type of schedule our camp runs! We hope to keep it very similar to last summer! Of course, with COVID-19 there could be some changes to our calendar as discussed earlier in this packet. We visit the splash pad regularly in lieu of swimming for safety reasons as well. We plan to do this weekly unless the City of Fairhope opts not to open the splash pad this summer. 😊

You will only be registered for the weeks that you sign up for on the Reserve Week Sheet included. You may sign up your child up for an additional week(s) if you give a minimum of 7 days notice to the director or co-director. You may also cancel a week with a minimum of 7 days notice. Please read the Reserve Week Sheet carefully for full details.

### **Activities Your Child May Experience at Summer Day Camp**

Your child will take part in weekly thematic lessons based on Biblical truths. Children will take part in a short daily devotion and prayer time given by counselors and the director. In addition, children will attend a weekly chapel time hosted by Kevin Nelson, the minister to children and families at FBC Fairhope. Daily activities will be experienced in a rotation like setting. Children will be divided into groups and rotate room to room to experience activities like swimming, arts/crafts, sign language, music, outdoor play, games, activity sheets, drama, and much more. Vacation Bible School is typically part of one week of camp as well however this summer we are unsure how VBS will work due to COVID-19. We will update you with this info as soon as the church makes a decision on how VBS will roll out. Some extra "surprise activities" may be planned throughout the summer. These will be announced at

the proper time. Some activities/events may have to be altered or even cancelled due to bad weather.

### **Camp Director and Counselors**

First Kids Summer Day Camp is staffed by directors as well as camp counselors. The preferred ratio of counselors to campers is 1:10 or less depending on the age group. Each staff member will have basic CPR training. Camp counselors will be trained to handle basic emergency situations. In addition, these counselors will be trained to address the spiritual and biblical needs of a child according to the Baptist doctrine and Christian Bible. All staff members have passed a background check. First Kids Summer Day Camp counselors have been hired based on their ability to love and direct children in a spiritual and creative way.

### **Drop-Off and Pick-Up**

Each child must be accompanied by an adult to be dropped off at camp.

Parent/guardians must sign their child in at the front desk before leaving their child at camp each day. Drop off time begins when camp doors open at 7:30am. Please do not enter the day camp classroom until a counselor has arrived. Drop off location will be sent via email closer to camp start once we determine where in the new building is best suited for drop off. Children can be picked up in the afternoon by someone on the approved pick up list you submit in this registration packet. Please be advised that everyone may be asked to show a photo ID (i.e. Driver's license) until staff has become familiar with persons picking up children. If someone that is not listed on a camper's registration form comes to pick up a camper, they will not be allowed to sign for the child or leave with them until the parent/guardian is contacted. Please make sure that you list all possible people you may need to pick up your child during the summer. If a special situation occurs and a non-listed person is going to have to pick up a camper, please notify the camp director as soon as possible and make sure the person picking up has a photo ID with them. These procedures are put in place to ensure your child remains safe. Children being picked up must be signed out on the same sheet they were signed in on a daily basis. A child will not be allowed to leave till they are signed out on paper. If a child is not picked up by 5:30pm, there is an extra charge of \$10.00 per ten minutes per child that will be applied to next week's fee on that child's account. Finally, please try to have children at camp by 9am if at all possible. Most rotations and activities will begin at 9am.

### **Dress at Camp**

Children can wear comfortable shorts and t-shirts to camp. There is no uniform policy except that children are required to wear their summer day camp shirt (provided typically the second week of camp) on any field trips. Children's clothing must be appropriate for outside play and summer temperatures. Clothing with offensive slogans or pictures will not be allowed. Girls may not wear bare midriff shirts, or too short/tight of skirts or shorts. Sleeveless shirts may be worn if they are not tank tops. Boys may not wear muscle shirts or tank tops either. Shorts or pants should not have large holes or tears in them. Children are

encouraged to wear tennis shoes if at all possible due to the amount of time spent outside playing. We do have mulch on the playground. Parents will be called to bring a change of clothes for a child that is not dressed appropriately.

### **Lunch and Snacks**

Children must bring a lunch to eat each day. Lunches should not need to be refrigerated or heated up. Each lunch should include a drink. Camp will provide plenty of water throughout the day for children so they remain hydrated during the heat of summer. Two snacks will be provided to children- one in the morning and one in the afternoon. Children should not share/swap food due to possible allergies. Please talk with your child about this policy and explain to them that they should not trade or eat from another child's lunch. All lunchboxes, thermoses, water bottles, etc. should be clearly labeled with the camper's name. Please do not send your child to camp without having first eaten breakfast since the first snack of the day is not till mid-morning. Make sure any food allergies are noted on the registration form. Before the beginning of camp, if a camper signs up and has severe allergies to certain foods, we reserve the right to restrict particular food items for the safety of our campers. Those restrictions will be announced at camp and via email and must be abided by or parents may be called and asked to bring a replacement lunch that day to camp for their child.

### **Nap/Rest Time**

All children will be required to rest quietly during the designated rest/nap time each day of camp. Children aren't required to sleep but are required to lay down and remain quiet. Children are encouraged to bring a book to read during this time if they have trouble being still. Ipods, MP3 players, etc. are not allowed except on designated tech days that are announced during the week. Rest time is a necessary part of the camp day because of the high amount of activities and heat the children are exposed to on a daily basis. Please send a towel or small blanket to use during rest time. Make sure your child's name is clearly labeled on the nap mat. You will need to take these towels/blankets home on a weekly basis (preferably Fridays) to wash and send back for the next week.

### **Field Trips**

First Kids Summer Day Camp attends several field trips throughout the summer. Field trips will start and end at specific times that will be announced weekly in advanced. If a child is late for a field trip, they will miss the field trip unless a parent/guardian brings them to the field trip site to catch up with the group and signs the camper in. Information about field trips as well as other events will be sent home and/or posted in public view for parents to read. Please take time to read this information and note all times listed. Behavior on field trips is expected to be top-notch. If not, the camp reserves the right to refuse a camper from going on a given field trip if necessary. **\*\*PLEASE NOTE THAT FIELD TRIPS THIS SUMMER COULD BE IMPACTED BY COVID-19 REGULATIONS. WE WILL BE SCHEDULING FIELD TRIPS AS USUAL BUT WILL NOT DISCOUNT FEES IF A GIVEN FIELD TRIP IS UNAVAILABLE DUE TO CURRENT ISSUES WITH COVID-19.**

## **Medications**

If your child requires a prescription medication that must be administered during the camp day on a regular basis or in the event of a given emergency, please fill out the medication form in this packet. If there are any changes to your child's medications during the course of the summer, please request and fill out a form with updated information. The director or minister to children/families will be the only persons allowed to administer medication to a camper. All medication needs to be put in a zip lock with the child's name clearly marked on the front. This zip lock of medicine will remain at camp all summer unless it expires. Instructions on how to administer medication should be put in the zip lock (most will have an RX sticker on the med with directions) as well so that the medicine is administered properly.

## **Camp Code of Conduct**

First Kids Summer Day Camp has a set code of conduct that campers are expected to follow. We reserve the right to refuse enrollment and/or request the withdrawal of any camper whose conduct or character is considered harmful or a harmful influence to other campers. When such a decision is made, there is no refund of any fees paid up to that point. If a camper's behavior is such that he cannot be controlled by the director or counselors, the camp reserves the right to use appropriate disciplinary procedures- removal from a given activity (time out), cool down time away from other campers, temporary or permanent withholding of a given activity/activities and/or field trips, and any other punishment deemed appropriate by parents and/or counselors. Corporal punishment will not be used at 1<sup>st</sup> Kids Summer Day Camp. Campers and their parent/guardian(s) are responsible for replacing any property that is damaged as a result of inappropriate behavior. Foul language, tobacco in any form, drugs, alcohol, or any weapon will not be tolerated under any circumstance. Films, music cds, or any other materials that present beliefs that oppose Christian beliefs will not be tolerated. Children should not bring cell phones under any circumstances. Children should not bring iPods/MP3 players, hand held games or anything of great value to camp unless the director announces a special time for children to bring these items (ie. Show/tell, tech days, etc.) 1<sup>st</sup> Kids SDC employees are mandatory reporters of any type of suspected abuse that is indicated by a camper. Please be aware that if a child suggests they are being abused in any form, we are required by law to report this to appropriate legal officials.

## **COVID-19 POLICY**

First Kids Summer Day Camp reserves the right to screen children by taking temperature at any time during the summer. We reserve the right to require campers and staff wear masks if it is deemed necessary by the state, our camp's insurance policy or due to exposure locally in our camp area. We reserve the right to request a camper stay home for a given amount of time if they exhibit any symptoms of COVID-19 or if they test positive at any time. We requests that parents please contact Leigh Nelson (director) if they become aware of a camper having contact with any person who has tested positive with COVID-19. We reserve the right to postpone or cancel First Kids Summer Day Camp at any point during the summer

due to issues related to COVID-19 (examples but not limited to situations such as state mandates that would close camp, insurance mandates that would close camp, outbreak locally or at camp, etc.)
